Dr. J. M. Dawson, A. R. S. & Co.  
Prin. McGill College -  
Montreal,  
Canada -

Penn Yan, N.Y. Mch. 22. 1881-

Dear Doctor: Mr. Whitfield has written to me to  
send you a good specimen of Pleomulina  
plumaria, Hall - Potap 9p - I have one which I  
fear is not large enough, ~~and~~ but I believe  
that within 5 days I will be able to send  
a much better and larger -

Yours Very Respectfully,  
Bertram H. Wright
