

New Haven, Conn.

March 29. 1851.

My dear Sir:

Our letters have passed each other again.

We are quite desirous that you should address our students, & I am directed to inquire of you if you could not come either a few days before Christmas (Dec 20-24th) or a few days after New Years, or in the first week in May as you may prefer.

Yours very truly

Geo. C. Davis

Sec. Gen. Faeruffe.
