

Shrewsbury 22 April 1881

My dear W. Dawson

Some time ago I prepared
the enclosed rough draft that
I might submit it to you in
Montreal when I had occasion
to go in on other business -

Will you look through it and
see if it meets with your
views - I suppose when
we meet in May we should
be ready with some report.
even although the Education
Bill be postponed -

Yours faithfully
J. M. Thurston
