

Dr. J. W. Dawson

Montreal.

Dear Sir

Will you allow me,
Sir, to express my thanks for your
sympathetic words and your kindness
towards me.

To-day I received news, not only
that my brother was en route, but had
landed in Bordeaux so that he will be
at home in few days.

It will be very hard to leave mother alone,
nevertheless I do not see very well what
else could be done, so I intend to be back
ready for duty for the 1st of September

Dear Mother

I received your letter of the 10th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present.

I have been thinking of you very much lately and wondering how you are getting on. I hope you are all well and happy. I have not much news to write at present. In any case, as you have said in your letter, I will send word to Prof: Robins as soon as we have taken our arrangements here.

Hoping, dear Sir, you will be able to enjoy your Summer holidays. I beg you to believe me yours gratefully
