Lumber
Saturday
morning

So far safely & pleasantly, & while waiting for tender to come along side write this. Write a number of people, whom I know on board. Mrs & Miss Bridges & others besides the Gaults, Moots, Thompson &c whom you saw. So I think there is every likelihood of a very pleasant passage. I need not say that I was am sorry to leave home, but I trust that it will prove the best & in every way most useful way.
