

AMERICAN MUSEUM OF NATURAL HISTORY,

CENTRAL PARK, (77th St. & 8th Ave.)

NEW YORK,

May 24<sup>th</sup> 1881.

Prof. J. W. Dawson

Dear Sir

I inclose a list of the Devonian and Carboniferous plants given in Dana's Manual that we are in want of for the Dana Series in the museum. If you can provide any of these we shall be greatly indebted for your kindness.

Yours truly

A. P. Whitfield
