

Capit'l Ayth
J. 2.
July 14th 1881

My dear Sir

Many thanks for
the copy of your article
in the Princeton Review
on Wallace. It has
set me reading with
a great deal of interest
the discussions on the
subject in the back
numbers of "Nature"

Yours very truly
Alexander Dawson

Principal Dawson

July 11. 1881

My dear Sir
I have the pleasure
to inform you that
the copy of your article
in the "Quarterly Review"
has been forwarded
to the printer and
a great deal of interest
has been shown in the
subject of the book
entitled "Nature"
