My dear Mr Rawson,

Your two letters  
and enclosed proof  
arrived this evening.

I fully acquiesce in the  
amendments you  
propose and shall  
send the proof so  
corrected to Montreal.  
I shall however ask  
for a wire to be  
sent to me before

Therefore to ask 1000 copies  
to be struck off, as we shall  
need an abundant supply.

We are having some sets of  
puppys weather here, the first  
of the season, during May & June  
are here in the full winter weather  
strong. With all kind regards

Yours sincerely  
W. Brewster

final printing, as I fear  
errors may be made.

This will however cause  
my two or three days  
delay.

I shall send when  
I return the name a  
list to Mr Baynes  
of names of gentlemen  
to whom copies should  
be sent. Please think  
of this also and send  
him names. If they  
are duplicated he can  
easily arrange this.
