

Perth Aug 8th 81

J. W. Dawson Esq

Dear Sir

I delivered
your Note to Mr Glenn
At present He is busy with the
Harvest and will not be
through with it for about
Three weeks. He says you
can have the specimens free
of charge. But to leave any
other Stone you may have to
remove in the Quarry.

He would assist if you require
help after getting through
with the Harvest

Yours Truly
James Allan

Allen
