Dush for pamphlets

My dear Sir

I expect to do some thing this winter toward working out a collection of primordial fossils of the Saint John Gr: and would like to get access to certain papers on the Primord.

fauna of G. Britain which Hicks Salter and others have published.

They are as follows:

- "Hicks" Trans. Geol. Soc. Liverpool 1863
- "Salter" Quart Jour Geol. Soc. London 1864
- "Salter & Hicks" do do do 1865
- "Davidson" Geol. Magazine. . . . 1868
- "Salter & Hicks" Quart. Jour Geol. Soc. - 1869
- "Harkness & Hicks" do do - 1871
- "Hicks" do do - 1873
- "I. Belt" Geol. Magazine - - 1867

Before sending to England for these I write to ask if you have any copies of these papers separate from the other articles on different subjects which will be bound with them in the publications of these societies. And if you have such could you lend them to me for a while for study.

I cannot get hold of anything here bearing on this subject and have to write or send abroad for them.

Hoping to hear from you soon I am dear sir

yours very truly

P.S. Among Billing papers there must have been something of this sort. Can you tell me what became of his library

Before sending to England for
them I write to ask if you
have any copies of these
papers separate from the other
articles on different subjects
which will be bound with them
in the publications of the series -
I think that you have used
could you lend them to me
for a while for study.
I cannot get hold of
anything but learning on the
subject and have tried to
send about for them
I think about from
you soon I am dear sir
