Sherbrooke, Q. 31 Aug 1851

My dear Dr. Dawson

I have written Heri
to ask if it was not understood
that you and I with any
Quebec Members of the Comm^{ee}.
were to meet the day before
the Quarterly meeting to examine
the reports of the Inspectors
and determine as to the
fracts. If this be so he
was to write you and me
that we might give Tuesday
to the work.

I think that will be work
enough for our meeting - but we
might

Just out the intentions of
the Government as to the
Education Bill.

We have ventilated our
opinions pretty strongly, and
I should rather be disposed
now to await the action of
the Government.

I wonder how we stand
numerically in proportion to
the Roman Catholics!

I hope you have enjoyed
your holiday. I have
had some as yet.

Yours faithfully
W. M. McKee
