Principal McGill College,  
Little-Italy.

Dear Sir

We last wrote you on the 23<sup>rd</sup> ult  
and since then find that our Mr. A. T. Summmond has  
reserved a few shares outside of Canadian <sup>Directors</sup> subscribers.  
We enclose herewith prospectus and form of application  
and will be glad to hear from you at an early date.

We may mention that the Scotch allot-  
ment was only  $\frac{1}{5}$  the number of shares applied for, which  
shows the confidence of the Scotch public. This in  
the face of a fact that the prospectus was not advertised  
in the newspapers and was printed for private circulation  
only.

The Canadian Directorate have subscribed  
for ten thousand six hundred pounds sterling.

We think we have given you all the in-  
formation required

We are

Yours truly
