Dear Dr. Dawson

I found your kind
letter and addresses at the
College this afternoon, the janitor
having failed to bring them to
me on Saturday. I am certainly
very much obliged by a letter
in my better room and very
soon for the trouble you have
taken in the matter of my
request. In the first paragraph and
the articles for the Minutes
you have generously excused

in demands and expectations.

With many thanks

Remain

Yours faithfully

J. Campbell
