

102 St Alexander's
20 Dec. 1887

My dear Sir,
You may have heard
that our week of Prayer
Services, this year, are
to be somewhat different
from former years. We
have arranged for (1.)
Afternoon Services in the
Queen's Hall (2.) a
Union Mass Meeting on
the Friday Ev in fact
St James St Methodist
Church, and (3.) ^{giving} Outing
Union Services during the
week in the different

distant districts of the
City. The brethren in
these outlying portions
are most anxious for
a concentration of forces
in their districts, and
we have promised to try
to send strong deputations
from the Evangelical
Alliance Branch.

The Committee
would be much pleased
if you could go to the
Hawa St Methodist
Church on Wednesday
Evening, 4 January,

and, along with Professor
Fenwick, address the
people there assembled.
They promise much
interest and a large
attendance. I hope I
may find Mr Fenwick
agreeable, and now
write you trusting that
you may also be able
to go.

Believe me,
Yours very sincerely,
Sam'l May
Ponape Dawson & Co.
