

Dear Sir,

Many thanks for
your kind invitation. I
would have been most
happy to meet Dr Wilson,
and your other friends;
but I am here with
my family for the
holidays and will not
return to Montreal
before the second week
in January.

Please remember me kindly to
J. Williams with whom I am well
acquainted till when I have not met
for many years —

With the compliments
of the season and
best wishes for yourself
Mrs Danson and
family,
I am,

Dear Sir

Most sincerely yours

Wm. V. Chasneau
