My dear Dr Weston,

I think I promised
to communicate with you
I with Mr Griffith about
the M.S. of my lectures
of last Spring. Up to
this time I have
managed with some
difficulty and by using
mere scraps of time
to write out four of
the lectures and part

leave the question of pub-
lication to his judgment,

Please give my very
kind regards and good
wishes to all as
those of Mrs Dawson
& all our friends at
Replands, and more
especially to those
of your own family,

Sincerely yours
W Dawson
