

Beloit Wis. Jan. 16. 1852  
Principal J. W. Dawson:  
Montreal, Canada.

Dear Sir:

I find on my table the following papers from you, which I believe have not been acknowledged. They are (1) Notes on Tertiary Fossils & with Remarks on the Climate of Canada (2) The evidence of Fossil Plants as to the Climate of the Post-Pliocene Period (3) Notes on Post-Pliocene deposits at Riviere - Du-Loup (4) Annual address of the Pres. of Nat. Hist. Soc. of Montreal, (5) Address at Annual Meeting 1864 (6) Alpine & Arctic Plants (7) Continental

and Island life (8) Notes on a  
Fossil Seal or (9) Supplement to  
the second edition of Acadian Geology.

For all of them please accept my  
cordial thanks. Several of them  
are of peculiar interest & value to  
me.

Yours Very Truly,

J. C. Chamberlain.
