Dear Sir,

I unfortunately have no duplicate copies of the paper on the b. Afr. w. shells of the P. L., or should have been glad to send one to Mr. Pines. I should be glad to enter into a correspondence with him, if that would answer the same purpose. The specimen of Eothenopteron Fordii came duly to hand at the St. Lawrence Hall, & I brought it up to Ottawa quite safely the same day. Am much obliged for the loan of it, I should have written to tell you that it reached me in good time in Montreal, before this, but have been kept very busy since my return.

Faithfully yours,

J. F. Whiteaves.
