Dr J. W. Dawson,

Dear Sir,

I forward to you with this a roll of plate proof of "Facts & Fancies." On p. 18, a transposition was made after the proof was returned, a thing that not infrequently happens, though not by any means excusable. The word on p. 24 I thought should be there, but, as it was doubtful, refer it to you.

I have arranged for "bastard titles", which will add to the appearance of the work. Of course there will be seven of them - one at the beginning of Vol. I, & one to precede each lecture.

Please return as soon as possible & reply

Yours Resp^y

Wm. W. Anderson.

(but read how proof book will)
