

Senate 3rd March 1889

My dear Dr Darnson

I have had an interview
with the Minister of Militia and Mr White M.P.
they both say that the Bill will not
pass as it is now before the House,
and admit that the Graduates should
undergo an apprenticeship and submit
to examination by the Dominion
Examiners, same as your
graduates of McGill.

I expect to be home on
Wednesday night, the Senate will
adjourn for a week, and I will
have time to see you, - before

I return
herewith

Your very truly

Sept. 11/82
