March 18th

Gen. Br. Dawson

This note should
contain a copy of the formal
resolution passed, but I
must send that later, as
I have mislaid the copy
Miss Gardner left with me.
I do not however like to
delay conveying to you
informally, the very great

pleasure with which your
most kind offer was accepted
& how fully satisfied the
Committee are to leave
the choice of subject in
your hands -

Believe me

Yours sincerely
Mary Ann
