My dear M^r Chauveau,

I enclose copy
of the form of circular
which I have ad-
vised His Excellency
to send to the
Members.

I have not re-
ceived any special
list of members, as
the correspondence

applied 11/10/78
L. M. M. M.

has been carried as
between the Section
Presidents of Ottawa
and I have only seen
the lists, in Toronto,
with suggestions as
to changes, &c.

Several ^{rough} a list
however of the ^{rough} ~~rough~~
Literary Section, as
I suppose it stands,
from the last memo-
randa given, and

of which I kept rough
notes. I suppose it
is substantially correct
but but cannot
certainly affirm this.

I have advised
that a regular record
book of the names
be opened at Ottawa
and the final lists
entered therein.

Truly yours

W Dawson

Please return the papers to
me, as I have no other
copies. M.D.
