J. W. Dawson, L. S.,

Dear Sir,

Your letter of the 13th with the proof has just reached me. I send with other proof, by this post, the missing pages 44 & 45. These end the section, & the next p. (46) is blank, while the bastard title fills out 47, 48 - the last of course blank.

In regard to "our poor relation", please see p. 139. If there be no special reason for the change to p. 73, it would save a great deal of trouble to leave it where it is. The pages would need, from 73 to end, to be numbered anew. I will tell the stereotyper to leave it until this proof is returned.

I hope to have the last revise to you.

Yours Very Truly,
Wm. Anderson.
