Dear Dr Dawson

I recd your letter & your
letter advising me of the result
of his application to Sir Geo-
rge you have a memorial pre-
pared. it should be in French &
English, signed by yourself &
Hunt & other settlers. then
if it is prepared & trans-
mitted the better for any seem-
ing should be with the sup-
plement & at once -
I dare say if you were to forward
the memorial to the Govt he
would expense its charge -

I am a currier in such matters
as I would suggest offering to
aid you -
