Prof J. W. Dewar, Sir

Dear Sir, Enclosed  
find a front & side view Photograph  
of a boulder found in a gravel bed in  
the Great Miami River - a portion of  
broken pent was struck off by the  
power - when it was noticed by the  
Superintendent; and handed to me -  
I am at a loss to say if it is a  
vertical peak, or what it is - Thinking  
it might interest you I take the  
liberty to send it.

Yours  
W. H. Scobey
