(Böhm.)

Dear Sir!

It would be very important that the geologists
which come to Montreal would see the galvans
plastic casts of my Stegocephals. I am ready
to facilitate to your Museum the disposition
of the 2 series. No 1-35. the price of which is 50 dol.
and I shall wait for payment. The 4th part of my book
shall be ready in October.

Trague S. S. 82.
