

New Haven May 13th 1842

Dr. J. M. Dawson,

My Dear Sir,

As I was prevented from calling on you, on the day when you left, to express to you my thanks for your highly instructive and interesting lectures, I hope you will allow me to say to you how much pleasure you gave us by your party

I remember me kindly & this
Damon, and to be seen me,
my dear Sir,

Very sincerely Yours,
George P. Fisher

W. Damon.

too brief / presence among
us. The method and
manner and spirit of
your scientific teaching
are above praise. It is
to me refreshing to meet
with a scientific teach-
er who knows so well
how to mingle the
Christian spirit with
the thorough investigation
of nature.

May I beg you

To
Mr
Dear Sir
I have
