Dear Mr. Dawson:

I am in receipt of yours
of May 16, and beg to enquire
whether you wish collections in-
tended for the Museum of McGill
College to be addressed to the "Peter
Redpath Museum"? Does this replace
a separate Museum of the University?
Of the two establishments, namely, the
"Natural History Society of Montreal" and
the "Peter Redpath Museum", to which
would you prefer to have zoological
objects sent?

Yours very truly,

James B. Baird
