

285 Stanley Street
Thursday night

My dear Dr Dawson

I had hoped to
have met you somewhere
during the week and then
asked whether you would
be good enough to give a
ten-minute address at
McLango breakfast next
Tuesday morning but have
failed. Will you kindly
do so? There will be three
or four clerical members & speakers

and three or four laymen -
the latter yourself, Mr. Rague
and Mr. W. K. Man.

Yours faithfully

David A. Pratt

Watts.
