Dear Mr. Dawson:

Can you mail to our correspondent, James G. Swan, Port Townsend, Washington Territory, a copy of your son's report on "Queen Charlotte's Island", published as a part of the report of the Geological Survey of British Columbia? Mr. Swan is now engaged in the study of the Haidah Indians and wishes for the book in that connection. I will be most happy to make proper returns to yourself or son for the favor. Please let me know whether you can do this and when the transmission takes place.

Yours truly,

A. S. Peck
