

Toronto

6<sup>th</sup> June, 1882.

My Dear Dr. Dawson

It is most kind of You  
to think of seeing me at the  
station at Montreal on Friday  
evening. But the hour is  
unreasonable; and I shall  
by no means feel disappoint-  
ed if You do not turn up.

<sup>Toronto</sup>  
Our Canadian papers  
got hold of a story about  
a quarrel between Pere Hamel  
& Dr. Terry Hunt, and that  
the whole of the Quebec  
Clergy left Ottawa in a huff

on Friday. In vain I have  
assured Mr Gordon Browne  
that I never heard of such  
a thing till his paper  
gave currency to it.

Our Toronto press has not  
been so friendly to the  
C. R. S., as your  
Montreal papers.

I have corrected and  
returned the proofs of my  
Montreal Address for Aug.  
so I am so far prepared.  
I have a paper on hand  
about Runic inscriptions  
which I want for Edinburgh.

I have been vainly trying  
to get it finished; and  
now purpose completing  
it on board the "Parisian".  
So you will see I have  
some faith in my  
seamanship; if I can  
only get a corner in  
which to write.

Mr. Dawson & Eva I  
hope cherish pleasant  
memories of Rideau Hall.  
All kindest greetings to  
them. Yours faithfully  
Dan. Wilson
