

New Haven June 9th 1842

My Dear W. Dummer,

Accept my sincere
thanks for your kind note.
It would give me great
pleasure to attend the
meeting of the Scientific
Association at Montreal,
but my arrangements
for the summer will
keep me away. I

Saw St. Gray at Cambridge
on Tuesday at Cambridge.
He is well, but looks
a little worn.

With kindest remembrances
to Mrs. Dawson, I am

Faithfully Yours,

G. P. Fisher
