Prof. J. W. Dawson
Sir

I must ask your
pardon for troubling you
with this note, but I should
like to refer you to what
you are supposed to have said
by an American daily paper.

In the issue of May 11th 1852
of the Newhaven Daily Journal & Courier
there is an article on your address
given to the Yale Theological School,
in which you are reported to have
said "If with Prof. Tyndall we
consider man as a being outside
nature" &c and "According to
his (Tyndall's) doctrine we must all
be supernatural beings."

Would you kindly give me

the title of the book or article
from which you drew these state-
ments or inferences.

I wrote Dr. P. Q. Syndall asking
him to inform me where he
gave utterance to what you
ascribe to him. He informed me
that he could not remember
having used such sentences.

I should be very much obliged
if you would enlighten me.
Again asking pardon for
troubling

I Am Sir
Sincerely Yours
Isaac Isaacs
