My dear Mr Dawson,

We have come down here to visit an old friend on the occasion of the marriage of a daughter - Tomorrow we go to Buxton for a few days and then return to Chichester.

I have taken my passage this morning for the next trip of the *Circassian* on July 27 -

If Whiteford get instructions soon  
about the portrait then may still  
be time to have it done here.

It cannot be done in New York -

And I understand that an  
arrangement which Whiteford  
partially made here will not hold  
good after my return.

Well, if the project should fail  
I dare say that I shall be less  
disappointed than the kind  
friends who suggested it -

I have given a verbal intro-  
duction to Mr Mackinnon  
the Congregational minister  
of Bardon - a man of some

culture - I know you will be  
very much occupied, but I  
hope he will not unduly trespass  
on your time.

I believe he will be accompanied  
by a Boston gentleman whom  
I also know - He is a very  
healthy man and a liberal one.  
I write entrusting you as you  
see -

Yours very truly  
P. K. Peabody
