

16th June 1882

Dear Dr Dawson,

I send back proof, with a few alterations
in list. Mr. Faucher told me he is not an
"Honorary" member of Gen. de la Roche - by the way an
unimportant Society. Was not Mr. Goldwin
Smith made D.C.L. at Oxford on Monday
or Tuesday; will you alter it, if you
have seen notice in papers.

If possible do not make changes in
Memorial to Queen, as my Secretary had
it engrossed by the proper office who is
obliged to do away. Any other copy would
be not as well done. Dr. Schwyn
approves; he leaves today for the West.

When I send down Memorial,
I will also send form of letter to
H.E. which you can sign
I transmit,

Yours,
Geo Bonomi
