

21st June 1882

Dear Dawson,

The enclosed circular is
a good idea.

I will of course mail all
the copies to members. Remember
parcels addressed to me as Clerk
of the House "Come free by law."

It would be well to have
sufficient copies to send to
members of the two Houses, and
certain leading Societies at
in America & England. There
is a very correct list in Spafford's
Ann. Almanac of Am. Societies

It was too late to make clerical
alterations in Memorial. There
is a place for the Vice President.
I will send it as soon as I receive
last proof of Pamphlet.

Mr. Fleming called in to
say that Congress will probably
pass the joint Resolution respecting
the "Memorandum" - you remember.
He wishes the Council to
address the Governor General
on the subject. But of course
they cannot do so until the
Congress passes the Res.
in favor of an International
Conference

Yours,
Geo. Bonine
