Dear Dr. Dawson

Since my return  
from the pleasant visit  
to Montreal I've been  
full of work, "class days"  
arriv. bunnin, warm, &c.  
Mrs Putnam is joining  
a few days in Salem  
with her family & has  
written to Mrs. Dawson  
for them. I have sent  
to Salem <sup>this A.M.</sup> to have the  
Circular sent to you  
I didn't send them before

as one of the Secys at  
the meeting in Montreal  
informed me that eve. that  
there were a large number  
of circulars at the Nat.  
Hist. Soc. - However you  
will also have a lot  
the day after you receive  
this - I find that there  
are several letters from  
some parties who expect to  
be at Montreal, asking my  
aid in securing rooms &c,  
I hope the Local Com. Circular  
has been mailed, ~~as~~ I have  
many letters asking for it.

In great haste

but most truly

Yours  
J. W. Dawson
