Montreal 5 July 1882

Dear Sir,

I send you under
another cover a paper by Mr
Alex^r Murray upon the glaciation
of Newfoundland, which he asks
me to pass on to you, he says
you may probably read it before
the Royal Society of Canada, or perhaps
publish it. He wishes however that
you would kindly read it over as soon
as you can, and tell him what you
will do with it. In case you think

the paper worthy of presenting to
the Royal Society, Mr. Murray has
sent me a Copy of his *Orographical*
Map of Newfoundland to present
with it.

I have received your letter enclosing
resolution of thanks of the Corporation
of M^g Gill College for the donation from
the heirs of Sir W. Egan to the Redpath
Museum, which I shall send to Mr^s
Stewart by Friday's mail.

Yours truly,
J. R. Brand
