Dear Dr Dawson

Your kind note and the specimens  
have come to hand - Please tell me how  
much the electotype cost that I may repay  
you at once - I regret that I shall not  
be able to come to Montreal as I have  
only a month's vacation and have just  
exhausted it in an interesting trip  
to Colorado, where I obtained a  
considerable number of fossil  
insects from a new locality which  
seems to be Trias! I am none the  
less appreciative of your kind promise  
to secure me entertainment during  
the meeting. By all accounts you  
are sure to have a good meeting and  
I wish you a great success.

Yours truly  
Wm. H. Scudder
