

Castle Hill

Newport July 13/82

My dear Mr Dawson

If you think I can be of  
any service to you in opening of  
your new Museum by saying  
any thing I shall do so with pleasure  
Many thanks for your kind note to  
me. May I ask you to give me

some data at my hand about  
your museum so that I may  
have something to go upon for a  
start

Yours truly  
A. Cassin.
