Principal Dawson

My dear Sir,

We are the midst of our second
Summer School. The work of
the American Institute of Christian
Philosophy grows. Money has
been placed in my hands
for a brief winter course of lectures
to be delivered in New York City
after the first of next November.
These lectures are to be in the

4 Winkley Place
St Andrews
P.S. Our address is

line of our work but instead of
being prepared for trained thinkers,
^{like} as the most of the lectures in the enclosed
programme, they are to be as popular.
They are also to be published in our
Quarterly.

Will you consent to be one of our
lecturers? If so please state on what
terms. We shall endeavor to fix the
time to suit you. A prompt reply
will greatly oblige.

Yours very truly
Charles F. Deems
