Dear Sir,

Mr Stephens has  
charged me to say to you, as  
acting Chairman, that he ob-  
jects to Mr Stevens being  
appointed except at a meeting  
of the Board by a regular vote.  
He does this on principle.

Now I have de-  
livered my message, I hope  
correctly.

I propose leaving  
town for a couple of weeks

returning in time to finish  
up my work here, and to  
have a little leisure to  
attend the meetings of the  
American Association.

Your obedient servant  
S. P. Robins.
