

J. W. Dawson

President of A. A. S.

Dear Sir

Allow me  
to make personal inquiry,  
as to how I can dispose of  
myself for two or three days  
in your interesting city, if  
I decide to attend the meeting  
of Association in August?

I was made a member at  
the Salem meeting, but have  
never been able to attend

one of your gatherings.

It would give me pleasure to do so this year if I can depend on a comfortable place to stay in, during the brief time I should be in Montreal, not more than two or three days at the utmost —

If you reply at once I shall be at the Coleman House, New York City — if not for a week or so, you may address me Care of Chief Justice M. R. Waite, Old Lyme, Conn, as I am to spend a few days with his family at their Country Seat —

I enclose a little brochure of Opinion in  
relation to my recent historical work, which  
will interest you no doubt.

I remain with best respects  
Yours & Love
