

Little Metis,
1st Aug^h, 1882.

My dear Principal,

It was very kind of you to think of me as a substitute for the lamented Dr. Campbell on the Museum Committee. I shall certainly be very glad to accept the honour, though I need not remind you that I am without any special knowledge to be of use except in gen:

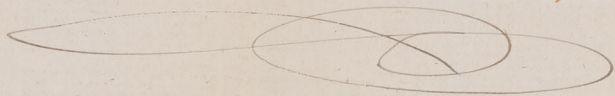

eral questions of man-
agement.

My intention is
to spend a few days
in Montreal during
the meetings of the
Amer. Assocⁿ; and
therefore if you don't
require my services
much before that,
I shall be very
willing to aid you,
in any way I can,
in making arrange-
ments for the formal
opening.

I hope you feel
better than you were
when you came down
here, and that you
are taking care of
yourself in this trop-
ical weather.

Very truly yours,

Clark Murray

Mr. Dawson
