New Haven, Conn. Aug. 10th 1882 -

Pres. Dawson -

My dear Sir.

At your suggestion I send a few lines to Mr. Prose under cover to yourself.

There are a few persons, not residents nor members, to whom it seems as if it would be well to send complimentary cards of invitation, although I am aware in advance that they cannot probably accept. If it is not presuming I will give their names:

Mrs. Mary C. Hovey - [my aged mother.]

Crawfordsville, Indiana.

Mr. Robert Clarke, 65 West Fourth St

Cincinnati, Ohio.

Col. Francis Klett, (Manager of
Mammoth Cave),
Mammoth Cave, Ky.

Robert R. Corson, Esq.

(Manager of Suray Cave.)

Suray, Virginia.

Mr. W^m G. Macdowell,

39 South Third St -

Philadelphia, Penn.

To the above I am indebted for facilities without which I could not have obtained the views I am to exhibit -

In noticing my pictures, in any announcement, it may be well to state that they will, ^{most of them} on this occasion be exhibited for the first time. Also that the majority of them were taken by ~~the~~ electric light.

Yours very truly,

H. C. Hovey -
