Dear W. Dawson.

Prof. Silliman writes me that his daughter is taken ill. Threatened fever & so cannot come on here to the meeting. I have told Mr Drummond. As the other heard Prof. Martin whom Mrs. M. Person had desired to entertain. Professor came with two ladies & Mrs. M. now respectfully declines. Also Dr Blake invited by friend of Dr Osler. wants to do the same is refused. as they have no quarters for supernumerary females.

To-day a Mr. Johnson of Wash-
ington writes sending me a letter from
Major Powell. who quarters for
the best & three ladies. He best
the city affords. This monstrous
Regiment of Women will be the
death of the U. S. A. S. I have
told Putnam Sr. I enclose the
Circular relating to the Steamer.
The amount of work now on my
shoulder is very great & I am
dressed all day long. I would not
have you be completely if I were
any way so so humbly.
I fear I shall break down for
I am ill & weary with work

anxiety about business. I have
by hope I shall be able to cheer
up. Never in my life have I
had such a strain upon me.

Stephanescu writes me from
Bucharest. He is taken very ill
& his great regret cannot
come over.

Yours very truly
