

Mrs Chace

Long Branch

Aug 3rd 1882

To J. W. Darnum L. L. S.

My dear Sir;

Permit me

to thank you for your
kindness in attending my
Membership and express
to you my compliments

I felt that in the midst
of your many duties you
sent me such a pleasant
note. Let me assure you that
we all felt it most truly.

Accept for Mrs. Dawson
and yourself our best
wishes and kindest regards.

As I have said "may we not
hope to see both of you next
season here at our home
by the sea." It would
be very delightful indeed.
Most sincerely yours
J. W. Dawson & Marine Gleason
