Principal Dowson

My Dear Sir - The enclosed card
will explain in part at occasion of this
letter.

I have copy of some "Origins of the
World" - N. Y. Ed. 1877. But my friend Prof
H. S. Millicans, told me yesterday that there
was a more recent Edition which had
been published in England - but not a public
library in the country, which, as he un-
derstood, differed materially from the latest
N. Y. Edition. If this is so - will you do me
the favor to send me the name of parties
to whom I can send for a book & a
sum of money I should send
in order to procure a copy?

Very truly Yours

W. D. Milson
