

Brewster House -

11 Fifth Avenue

New York.

Sept. 4th / 1882.

Dear Sir:

I very greatly regretted
that I did not benefit by your
criticism of the theory and
arguments in reference to

the cause of Stappa - especially
as my brief experience on
Monday led me to place
so high a value upon your
independent judgment and
experience. I should be
very glad to know whether
you think a 'prima facie'
case has been made out, and

the cause of Stappa - especially
as my brief experience on
Monday led me to place
so high a value upon your
independent judgment and
experience. I should be
very glad to know whether
you think a 'prima facie'
case has been made out, and

if you find time to answer
this note I should be glad
to have you indicate whether
I am at liberty to make
public your opinion
Yours - Henry Lee -

Very truly yours

J. Hope Whitehouse

"The Montreal Witness" contained
a fairly full abstract.

if you find time to answer
this note I should be glad

to have your indication ~~of~~ whether

I am at liberty to make

public your opinion

Yours - always Sir -

Very truly yours

J. Hope Witherhouse
