

Dr Dawson
Montreal

Dear Sir!

I say you my best thanks
for the kindness that you have
demonstrated my galvanos
to the american paleontolo
gists

The 4th part of my book will be
published in the first months
of the next year

I shall be verry glad to receive
your remain.

I inclose the bill which shall
be probably sufficient.

Yours

13.10.82

Dear Sir,

I say you may not think
for the time that your
benevolent my goodness
to the cause can be
grate

The heart of my book will be
published in the first month
of the next year
I shall be very glad to receive

your answer,

I enclose the bill which shall
be probably sufficient.

Yours
